**NEW YORK, June 6, 2025**— Emerging Markets CDS trading stood at US\$471 billion in the first quarter of 2025, according to a Survey of 10 major dealers released today by EMTA, the EM debt trading and investment industry trade association. This represented a 51% increase compared to the US\$312 billion reported in the first quarter of 2024.

The largest CDS volumes in the Survey during the first quarter were those on China, at US\$44 billion. EMTA Survey participants also reported US\$38 billion in Turkish and US\$34 billion in Saudi Arabian CDS contracts.

The EMTA Survey also included volumes on nine corporate CDS contracts, with the highest reported quarterly volume on Pemex (at US\$4 billion).

**NOTE TO EDITORS:**

*Founded in 1990, EMTA (formerly the Emerging Markets Traders Association) is a not-for-profit corporation dedicated to promoting the orderly development of fair, efficient and transparent trading markets for Emerging Markets instruments, and the integration of the Emerging Markets into the global*

*financial marketplace. EMTA, with over 170 member firms worldwide, has published its Annual Volume Surveys of Debt Trading since 1992. EMTA began publishing CDS volumes in 2009.*

*For its Survey, EMTA collected data from 10 major international banks and broker-dealers on Emerging Market CDS contracts. Participants were asked to report their CDS volumes on 26 Emerging Markets countries and 9 EM corporate issuers. The Survey is based on notional value of CDS trades and includes rollovers, but not netting trades or internal transfers.*
